Prompt: Describe what makes a good parent. Use one or more personal experiences to support your ideas.

GOOD PARENTS

In my country it could hear these words from the common people: Because the fruits you can kwon the three. Never like now those words are true. What are the qualities of a good parent?, How a person can considered himself a good parent?, When anybody is ready to be a good parent? When anybody have the answer of those questions, maybe that person will the in the half of the way to become in a good parent.

In my opinion, a person must be tolerant, generous, patient, lovely, to the others, in order to be every day a better person, obviously you cannot be intolerant and in the same time ask for tolerance from the people around you, the tolerance is the most important parent's attribute, because the inexperience of the children and the unknowledge of the environtment could be a bad influence for they.

Before a person become in parent must practice the tolerance and generosity, because nobody can learn these attributes in just one day, too many people can explain you what is tolerance, but the learning of this is a personal challenge. So you must be ready to respond a bad attitude with a good attitude from you, your anwer to the world always must be generosity.

If anybody wants to know he or she are ready, the only thing they must review is their answer in the cotidianity life, you smile to the people?, you are toleranting whit the people who are not like you? you love the others? in one word, you are a good christian?

In my opinion, the qualities of a good chistian can help to obtain what is necesary for the peolple who wants be a good parents, and everybody must remembering permanently, this characteristics are imposible to learn from nicht to morning.
Prompt: Summarize the points in the lecture and explain how they disagree with the points made in the reading.

The lecture tried to explain two questions, first about the temperature in Hawaii, the reading said Hawaii have a great weather but the lecture said that California have the best temperature.

Second, the other question is about the principal economic activity in Hawaii, in the reading we can appreciate than they establish than the trade are the most important activity, because it mentioned shopping than "Ala Moana Center is one of the largest commercial menter's", but the lecture mentioned than the tourist prefer the activities in the beach and enjoy the nature environment.

But doesn't matter if the climate of Hawaii is the best of the world, the fact is Hawaii have a beautiful climate and excellent climate, so you can enjoy your staying in there.

Instead the difference of opinions based in the point of view and the particular interest of each person, if you like buy things in the best stores, in the other hand, if you like the outdoors activities, anyway your best vacation will be in Hawaii.

Finally exist different opinions between the lecture and the reading, and the lecture disagree with the reading in two aspects in Hawaiian activities for tourists.
Prompt: Describe the picture using the best English you can (vocabulary, complex grammar, etc.). Include who is in it, where they are, and what they are doing.

There are two little boys who are in the white boat. A boy who are wearing the black cap and red shirt is the oldest brother. A boy who are wearing white cap and shirt, and raising thumb is little brother. They look so happy because they going to fish and go camping.

Prompt: What should students do in order to do well in school? Make sure you include examples from your life to support your opinion. You have 10 minutes to write one paragraph.

I think If student do in oder to do well in school, they should keep the rules which are made by themselves. In my case, I made a lot of rules for control myself. For example, I make a plan every night, sunday, end of month, and end of year. The plan make me regret and develop. Next, I write journal. If they wrote journal every night, they would make a plan and develop their life. Also, They should keep the school rules. Some student do not like school rules, but almost all of the rules help them can study easier and adapt in school.
Prompt: Many students have to live with roommates while going to school or university. What are some of the important qualities of a good roommate? Use specific reasons and examples to explain why these qualities are important.

Many students have to live with roommates while going to school or university. Sometimes many students become good friends or not. I never have a roommate before, but I am going to move this semester and have roommates. I think about roommate what some of the important qualities of good roommates are for me and how I become good a roommate for others. I would like to describe some of the important qualities of a good roommate: nationality, personality, and habit.

First of all, if I had a roommate from another country, I would be careful because we have different culture, thought, and faith. However, a roommate and I should speak English. I want to speak English with my roommate because I come here for studying English. On the other hand, if I had a roommate from Korea, I could not have experienced different culture. I have a good point if I had a roommate from Korea. I can cook Korean food and share my homesick.

Next, Personality is the most important for being a good roommate. If my roommate had bad personality, I would have a lot of stress. For example, my sister's roommate did not like hang out with others and loud, so my sister cannot invite friends. My sister's personality is very outgoing. Thus she has a lot of stress because of her roommates. On the other hand, my sister did not like clean up the room, but her roommate is very neat and organized. My sister's roommate must be upset about my sister's acting.

Finally, I like sport such as table tennis, swim, or running. If my roommate has a similar habit, I can play with my roommate and this will be chance of becoming more close. For instance, I go swimming twice a week by walk with my sister. Before we go swimming, we cannot have time for talking, but we can have time for talking now.

To sum, there are some of the important qualities of good roommate: nationality, personality, habit. In my opinion the most important thing is personality. However, if I could yeild for my roommate, I would become
